

HONORARY MEMBERSHIP

desert springs
A LIFETIME OF QUALITY,
GOLF AND LEISURE

Honorary Memberships are limited in number and are restricted to noteworthy persons, who have either some connection with the Club and with whom the Club is especially proud to be associated and/or who have performed some distinguished service and have been of critical help to the Golf Club or to the Desert Springs Resort or to The Almanzora Bay Group.

The Honorary Members pay no joining or annual subscription fees and their individual playing rights are based on the conditions applicable to the Club's exclusive Resort Resident Membership category. Honorary Membership permits unlimited free rounds per annum for the Member, plus the additional Partner Memberships and other privileges applicable to Resort Resident Members, e.g. unlimited Members Guest and Member's Family Guest Rounds at a discount of more than 45% and 50% less than the standard green fee during Low and High Season respectively and discounts at the Golf Boutique, etc.

Over and above normal Resort Resident Membership privileges, they include free use of practice balls at the Desert Springs Golf Academy, as enjoyed by the National teams of the Golf Union of Wales, the Ladies Golf Union and The Royal Spanish Golf Federation.

Honorary Members are assured of a particularly warm welcome, as guests of the Management of Desert Springs, whenever they are able to visit and their personal point of contact is the Managing Director of The Almanzora Bay Group, Peter Goodhall.

The obligations of Honorary Members are that they accept the normal Club Rules applicable to other members, that they receive and consider invitations to both Club and Charity events, deciding of their own freewill whether to attend or not, that they permit their photograph to be taken at Desert Springs when they visit, by the Resort photographer only and that their names are added to the list of Honorary Members.

There are no "ambassadorial" duties as such. Desert Springs does not expect to receive any endorsement from the Honorary Members unless specifically and voluntarily given as a result of the Honorary Members enjoying their time at Desert Springs, i.e. as with any other Member.
