Groups and Clubs Tennis Holidays!

Club & Pro Tennis Weeks

A thriving part of our tennis holiday programme, our range of group holidays for tennis clubs and social groups continue to prove popular.

Working with either the resident Pro from a club or an enthusiastic player keen to organise a group, we can help arrange a hassle-free and successful week or weekend away at the Desert Springs Resort. Based on the individual requirements of any particular group, we can tailor a trip to suit your exact needs and budget and help you organise the whole event with the minimum of fuss.

Once we have the outline of the trip that you would like to run, we will provide a quotation and details of the inclusions for your consideration. You can specify a target price, the amount of tennis that you would like to be included and the standard.

Luxury Accommodation

The Day Spa

Working directly with our specialised team in the holiday department, we are able to provide quotations to include and/or advise you on:

- Return Travel from the UK
- Transfers or car hire
- Accommodation for the duration of your stay
- Restaurant reservations at the Desert Springs Resort
- Court time to suit your exact requirements
- Coaching from your own Pro/s or from our resident LTA Professional
- Other activities / excursions that you might wish to include

Whatever the size of your group, small or large, we can provide a very competitive quotation and for Pro's travelling with groups, we even provide free accommodation!

For those that have never organised a trip from their club, we offer full administrative support throughout with a comprehensive payment record system for your piece of mind, and posters and flyers to distribute around your club and to your members to help promote your trip.

Our flexible approach also allows you a sensible amount of time to market your trip and collect deposits – we understand that arranging these kind of trips can be hard work at times, but we also know that the reward of running a successful trip is well worth the effort!

If you work at a local tennis club or any other sports club, please contact us to chat about how we could help you run your tennis week.
