Christine Langford's Masterclass

Join Desert Springs Academy Director and top coaching professional Christine Langford for a day of clinics and coaching. Learn the tricks of the trade, perfect your practice techniques and have some fun with your friends. Bring your own group of 4-8 players.

The Masterclass starts with a clinic and coaching on set up and swing followed by coaching and a chance to see your results on camera in the Golf Academy studio.

A light lunch and time off to relax is followed by short game clinics and tuition, pitch to perfection, chip and run for fun, have a blast in the bunkers and tap in that putt.
