Tennis Tailor Made

At the Desert Springs Tennis Academy we don't believe that you should have to do what it says in a brochure!

Our approach is simply different to that of the set departure and return date, the strict itinerary and the 'take or leave it' attitude.

At Desert Springs you can 'tailor make' your own tennis holiday to suit your individual requirements

You choose your departure date, your holiday duration and the standard of your accommodation at The Lodge @ Desert Springs.

You benefit from talking to a member of our specialised holidays team who will provide you with a professional and personal service.

They will reserve the tennis courts and any lessons you require from our very own LTA Qualified Tennis instructor.

They can make reservations for you at The Day Spa @ Desert Springs for that well earned beauty treatment or massage, sauna or Jacuzzi, to ease away the stress, aches and pains of everyday life.

You have the opportunity to pick and choose the elements to build the ultimate tailor made holiday for you at a price you want to pay!
